Gentlemen:-

Your postal received, and would advise you that our driver misinformed you of the price of our "Crushed Otto Coke", as we advanced the price from September First to Five Dollars for the nut and stove sizes, and $4.75 for the egg size.

We are sorry that this mistake occurred, but the driver must have given you the special summer rate which was $4.50 up to September First. We will be pleased to receive your order for two tons, and we will make delivery at once.

For your information, we would advise you that the coke will give you excellent satisfaction, using it in furnaces. In fact, it will give you the entire satisfaction for any kind of domestic use.

Trusting we may hear from you favorably, we remain

Yours truly,

[illegible]

General Sales Agent.
